

PRINCE2™ Re-registration

Overview

Course duration: 3 days.

Don't lose your PRINCE2 Practitioner qualification! This course provides a refresher of the PRINCE2 method and gives you the opportunity to sit the re-accreditation exam. PRINCE2 Practitioners are recommended to renew their qualification every 3-5 years, so if it's been over 3 years since you passed your PRINCE2 Practitioner exam then the time is right to be thinking about re-accreditation. Including a No Nonsense PRINCE2 key facts study guide and the PRINCE2 500 Challenge CD revision aid, this workshop provides 2 days of study, updates and revision followed by the exam on the Friday morning.

Is it right for me?

Suitable for PRINCE2 Practitioners who passed the exam 3-5 years ago, or those who wish to have a refresher of the PRINCE2 methodology.

What will I learn?

By the end of this course you will have: Sat the PRINCE2 re-accreditation exam
Reviewed, revised and updated the PRINCE2 methodology

Pre-course Activity

This is an intensive course and delegates are recommended to do around 10 hours of pre-course self-study to re-familiarise themselves with the PRINCE2 methodology. There will also be approximately 2 hours of self study for the 2 evenings during the course with the aim of ensuring exam success. The key facts study guide and Challenge CD considerably support your revision work before attending.

What will it cover?

- The 8 PRINCE2 Components Business Cases, Organisation, Controls, Risks, Quality, Plans, Change Control, Configuration Management
- The 8 PRINCE2 Processes Starting up a Project, Initiating a Project, Planning, Directing a Project, Controlling a Stage, Managing Product Delivery, Managing Stage Boundaries, Closing a Project
- The 3 PRINCE2 Techniques Quality Review, Change Control, Product Based Planning This course will include:
- The one hour re-accreditation exam
- An up to date PRINCE2 manual
- No Nonsense PRINCE2 key facts study guide
- PRINCE2 500 Challenge CD (Foundation style questions to help prepare you for the course)
- Exam techniques and tips
