

PRINCE2® Re-Registration - Residential Course

Ref:P2RGR

Who is it for

This course is suitable for PRINCE2® Practitioners who passed their exam between 3-5 years ago and need to re-register to renew their qualification.

What is it about

The PRINCE2® Examination Board has determined that all PRINCE2® Practitioners should be re-registered within 3-5 years of their original certification. This course has been designed for PRINCE2® Practitioners who want to renew their qualification and retain their registered Practitioner status. The course will provide a refresher of PRINCE2® including updates on all the new elements that have been introduced in 2009. This is particularly important following the recent upgrading of the PRINCE2® Manual and its greater focus on Business Case and the Management of Risk.

Course Overview

- Changes to PRINCE2® from 2005 to 2009
- PRINCE2® Principles – Continued business justification, Learn from experience, Defined roles and responsibilities, Manage by stages, Manage by exception, Focus on products and Tailor to suit the needs of the project environment
- PRINCE2® Processes – Starting up a Project, Initiating a Project, Directing a Project, Controlling a Stage, Managing product delivery, Managing a Stage Boundary, Closing a Project.
- PRINCE2® Themes –Business Case, Organisation, Progress, Quality, Risk, and Plans.
- Practitioner examination techniques

Prerequisites

Eligible delegates must have previously past the PRINCE2® exam between 3 and 5 years ago. Some experience in the use of and application of PRINCE2® is required.

Examination details

The PRINCE2® Practitioner Re-registration examination comprises a 1-hour examination set at the same standard as the Practitioner examination. Please note that the APM require every candidate's identification to be verified by the examination invigilator. You may be required to produce some photographic identification before being allowed to take the exam.

All delegates attending the PRINCE2® programmes will receive:

- Pre-read materials (distributed two weeks before the course)
- An official PRINCE2® 2009 textbook
- Relevant workbooks and handouts
- Relevant assessments

PRINCE2® is a Registered Trade Mark of the Office of Government Commerce in the United Kingdom and other countries.

PRINCE2® training is provided by Insights - An Accredited Training Organisation

What will I get out of it?

- Competence in describing and applying all the PRINCE2® project processes and principles and tailor each to a specific project
- Ability to set up and manage complex projects
- Learn how to identify and control risks throughout the project
- Discover the skills to monitor the objectives of a project and ensure a focus on quality is maintained
- Validation of an industry recognised qualification that acknowledges your expertise as a project manager for a further five years
- Updates on all the new elements in PRINCE2® introduced in 2009
